

ROBOLAB PILOT LEVEL 4

Step # ___ of ___

← →

Green
Red
Yellow

A	B	C	

Diagram description: A rectangular control panel for a robot. At the top, it says "Step # ___ of ___" with a "+" sign on the left and a "-" sign on the right. On the left side, there is a vertical stack of three lights: green (top), red (middle), and yellow (bottom). On the right side, there is a square button with a right-pointing arrow. The main area contains a 2x4 grid of boxes. The top row has three boxes labeled "A", "B", and "C", followed by an empty box. The bottom row has four empty boxes. A horizontal line passes through the middle of the grid, between the top and bottom rows.

Step # ___ of ___

← →

Green
Red
Yellow

A	B	C	

Diagram description: A rectangular control panel identical to the one above. It features a "Step # ___ of ___" header, a three-light indicator (green, red, yellow), a right arrow button, and a 2x4 grid of boxes with columns labeled A, B, C, and an empty column.
